Introduction

Connected Ventures, LLC and its parent companies and their affiliates (collectively, "Connected Ventures") respect the privacy of the visitors to this web site and any co-branded, mirrored, or successor sites (the "Website") and are committed to protecting their privacy. Connected Ventures has established this Privacy Policy Statement to inform you of our policies and practices regarding how we collect personal identifiable information from you, how we use and disclose it, and your rights with respect to such information. By using this Website, you acknowledge and agree to the terms and conditions of this Connected Ventures Privacy Policy Statement ("Privacy Policy"). If you do not agree to these terms and conditions, please do not use this Website.

We reserve the right to change or modify our privacy practices that are described herein from time to time simply by posting a revised Privacy Policy on this Website. Any such change shall be effective immediately upon posting of the revised Privacy Policy on this Website. We reserve the right to make the revised or changed Privacy Policy effective for information we already have about you, as well as any information we receive in the future. We encourage you to refer to this Privacy Policy on an ongoing basis so that you understand our current privacy practices.

Privacy Policy

Like many websites, we gather information about how visitors use this Website. In general, you can visit many of the web pages on this Website without telling us who you are or revealing any personal information about yourself. We, however, may track your Internet Protocol (IP) address and other anonymous information from your web browser for trends and statistics (including, but not limited to, browser version, pages requested and pages visited), but you will remain anonymous unless you provide us with personal information during your visit to this Website or during an earlier or subsequent visit and we are able to link your IP address between your current visit and one of these other visits.

We also work with service providers who use tracking technologies to serve ads across the Internet or track email communication response rates on our behalf. These companies may collect personal information about your visits to this Website and your interaction with our communications, including advertising.

In addition to anonymous information, we also collect personal information from you at this Website when you voluntarily submit it to us. We request personal information from you (which may include your name, address, telephone number, email address, gender, year of birth, and when necessary, credit card information) when you:

- Complete a registration, survey, application or other form;
- Purchase a product or service from us or from one of our vendors, suppliers or other agents;
- Sign-up to receive email newsletters or other correspondence;
- Participate in a promotion, contest, sweepstakes or similar promotional activity;
- Submit materials to our Website;
- Request a catalog or other materials from us; and/or
- Request e-mail, fax, mail, or telephone support or services.

We also collect information about your activities on and through this Website from our third party business partners, suppliers, vendors and other agents.

You may choose not to provide us with any personal information. In such event, you can still access and use many portions of this Website; however, you will not be able to access and use those portions of this Website or the services available on or through this Website that require your personal information.

Using Information

We may use the information we collect to:

- Customize and/or personalize your communications, surfing, viewing and/or shopping experience;
- Better respond to your customer service inquiries;
- Communicate with you about your purchase, account information, or customer service needs;
- Communicate with you about our products and events, and for other promotional purposes;
- Improve our business;
- Administer contests, promotions, surveys or other website features;
- Provide technical support to you; and
- Perform any other lawful acts except for those acts expressly prohibited by the terms and conditions set forth herein.

Sharing Information

Except as expressly set forth herein, we do not loan, give away, sell, distribute or rent your personal information to any third party.

We will disclose your personal information to third parties if you have previously consented to such disclosures and in special circumstances, including, but not limited to, the sale of Connected Ventures; the due diligence in connection with a potential sale of Connected Ventures; any bankruptcy, insolvency or liquidation of Connected Ventures, or in other similar circumstances.

For the purpose of operating our business and providing you with certain services and products and to process your purchases, shipments and payments, we may disclose your personal information to one or more of our business partners, distributors, suppliers, affiliates, service providers or other third parties who are assisting Connected Ventures in performing such services. Without limiting the foregoing, these third parties may provide Connected Ventures with credit card processing, shipping, data management, email distribution, live text chat, email response, market research, information analysis, and promotions management services. We provide such parties with the personal information they need to perform their respective services and we use commercially reasonable efforts to require them to safeguard your personal information and limit their use of it.

We also may provide your personal information to other Connected Ventures-affiliated companies (including, but not limited to, affiliates, subsidiaries and our parent companies) who may use your personal information for any legal purposes whatsoever.

We also may disclose personal information about you upon request by the government; in response to a court order; when required by law or when we believe in good faith is required by law; to enforce our Privacy Policy, terms and conditions or other agreements on this Website; upon your request; or to contact, identify or bring legal action against someone who may be causing

injury to or interference with our or others' rights or property. We may also share information with companies assisting in fraud protection or investigation. We do not provide information to these agencies or companies for marketing purposes.

We may also provide aggregated, non-personally identifiable information to third parties for any legal purposes whatsoever.

Protecting Your Information

We use commercially reasonable efforts to safeguard and secure your personal information while stored on our computer systems. We use a variety of industry standard security measures, including encryption and authentication tools, to maintain the confidentiality of your personal information. Your personal information is stored behind industry standard firewalls and is only accessible by a limited number of persons who are authorized to access such systems, and are required to keep the information confidential. Regardless of these efforts by us, no system connected to the internet can be guaranteed to be 100% secure.

We use commercially reasonable efforts to safeguard and secure the transmission of your personal information from your computer to our computers. When you place orders or access your personal information, we offer the use of a secure server. To the extent you select the secure server method and your browser supports such functionality, all credit card information you supply is transmitted via Secure Socket Layer (SSL) technology. Regardless of these efforts by us, no data transmission over the public Internet can be guaranteed to be 100% secure.

To help protect your computer and personal information, make sure you have current anti-virus and firewall software installed on your computer and update such software on a regular basis. Also, please review your credit card statement carefully and verify that all transactions are authorized and report any discrepancies immediately to your credit card company.

Cookies

This Website uses cookies. A cookie is a small, removable data file that is stored by your web browser on your computer. Cookies allow you to place an order on this Website and allow us to enhance, facilitate and personalize your online surfing and shopping experience. For example, we use cookies to:

- Remember the items in your Shopping Basket;
- Recognize you when you return to this Website;
- Enable you to use our one-click checkout;
- Present relevant content to you when you visit this Website;
- Analyze visitor behavior; and
- Facilitate other similar type of activities.

You can choose to have your computer warn you each time a cookie is being sent or you can choose to turn off all cookies. You do this through your web browser settings. If you turn cookies off, you won't have access to many features that make your visit to this Website more efficient and enjoyable, and in some cases, some of our services will not function or will function with limited capability. However, you can still place orders over the telephone by contacting our customer service center at vimeo.feedback@gmail.com.

Children's Online Privacy

We do not knowingly collect personal information from children under the age of 18. This Website is not intended to solicit information of any kind from children under the age of 18 and we have made commercially reasonable efforts to design this Website to prevent our knowing acceptance of any such information.

It is possible that by fraud, deception or error, we may receive information pertaining to children under the age of 18. If we are notified of this, as soon as we verify the information, we will immediately obtain parental consent or otherwise delete the information from our servers. If you want to notify us of our receipt of personal information belonging to a child under the age of 18, please do so at vimeo.feedback@gmail.com.

Email Marketing Practices

We adhere to the highest standards in our email marketing practices. When you choose to opt-into our email communications and submit your email address to us, we will send you an email requesting your confirmation. If you do not click on the confirmation link in the email, you will not be registered to receive our emails. This protects your inbox from unwanted emails should someone else provide your email address, or should you change your mind.

Chat Rooms and Forums

This Website may now or in the future include web logs (*i.e.*, blogs), chat rooms, post-it boards, forums, message boards, and/or news groups. Any information that is disclosed in these areas becomes public information. You should exercise caution before disclosing your personal information via these public venues, which you do at your own risk. If you do so, you may receive, among other things, unsolicited emails or "spam" from others. Connected Ventures cannot safeguard the privacy of personal information that is disclosed online in this manner.

Other Websites

When browsing this Website, you may be directed to other websites that are beyond our control. These other websites may use cookies and pixel tags, collect data, or solicit personal information. Even though Connected Ventures may be affiliated with these websites, we have no control over them or how they collect, distribute or otherwise use your personal information or how they safeguard and secure your personal information. Connected Ventures is not responsible or liable for the conduct, policies or actions of the owners of such websites or the content displayed on these websites. These websites are linked to this Website only for your convenience and you access them at your own risk.

Unsubscribing, Removing or Modifying Your Information

We want to communicate with you only if you want to hear from us.

To modify or delete any or all of the personal information you have provided to us, please login and update your profile.

You may unsubscribe from receiving emails, and other correspondence from us including, but not limited to, faxes and U.S. postal service mail, at any time by using the link, or by contacting us using the information, included at the bottom of each email communication. You may also unsubscribe by sending us an email at vimeo.feedback@gmail.com.

In some limited circumstances, such as to resolve disputes, troubleshoot problems and enforce our Terms of Use Agreement, we may retain in our files information you have requested to remove. Further, your personal information is never completely removed from our databases due to technical constraints and the fact that we back up our systems. Therefore, you should not expect that all of your personal information will be completely removed from our databases in response to your requests.

We reserve the right to send you certain communications related to this Website that are considered part of your account, such as technical alerts, without offering you the opportunity to opt out of receiving them.

Terms and Conditions of Use

Connected Ventures has a Terms and Conditions of Use Agreement that sets forth the terms and conditions under which we provide products, services and information to you from this Website, and your use of, and access to, this Website. It is your responsibility to read, understand and comply with the terms and conditions set forth therein.
